Handicap Revision as per CONGU Rules.

A comprehensive review has been undertaken by the committee of Members handicaps using the CONGU guidelines. Seven members have been advised that their handicaps have been reviewed and adjusted in line with CONGU rules.

Other items raised and discussed in Committee were as follows,

1. Will the Club Committee consider maintaining the qualification status of internal club competitions throughout the Winter months when we are using the mats? It will mean ensuring that both Greens and Tees can be set up in compliance with CONGU Rules.
The Competition status would only be for the specific day of the comp', maximum of 4 / 5 comps' per year..
2. Handicap Committee would like to offer additional Saturday Medal opportunities to the Members. We believe they could run alongside existing Saturday Competitions throughout the Summer.
3. Individual Club Competitions, we would like to create an Over 55's entry column on the entry sheet to generate "sweep" funding for prizes within the individual competition for Over 55's, it would be self funding and may generate more participation in club competitions.
4. Subject to Course availability, we would like to organise a Shotgun Competition on Football World Cup Final Day, Sunday July 11, 2010, starting mid afternoon, followed by BBQ.

Date of next meeting, Tuesday 11 May @ 7pm.
